

Curriculum Vitae

Fahimeh Alsadat Hosseini

Address: Floor 1, No. 80, 5th Alley, Abyari St., Shiraz, Iran

Zip code: 7174944116

E-mail: fhoseini221@gmail.com

Gender: Female

Citizenship: Iran

Home: +987138306637

Cell phone: +989177236082

Education

2018 Sabbatical Studies at University of Barcelona, Barcelona , Spain

Research Project: Validating of spiritual needs assessment questionnaire of hospitalized patients by using Item Response Theory Method

2014-2018 PhD Degree in Nursing at Shiraz University of Medical Sciences, Shiraz, Iran

Thesis Title: Designing and Validation of spiritual needs assessment questionnaire of hospitalized patients/ Shiraz University of Medical Sciences

2009-2012 M.Sc. Degree in Nursing at Tabriz University of Medical Sciences, Tabriz, Iran

Thesis Title: Nursing Students' perspectives on Professional Values in the Medical Universities of Iran/ Tabriz University of Medical Sciences

2007-2009 B.Sc. Degree in Nursing at Shiraz University of Medical Sciences, Shiraz, Iran

2004-2007 Associate Degree in Nursing at Isfahan University of Medical Sciences, Isfahan, Iran

Language Skills Persian (Native in all four skills)

English (Fluent in all four skills)

Research Interests

Community-Based Approaches to adult and old age health

Promote the health of adolescents and the elderly with special health care needs

Fahimeh Alsadat Hosseini

Non-pharmacological methods for the prevention and control of acute and chronic diseases

Palliative care in hospitalized and outpatient patients

Patient safety and quality in all hospital wards

Comprehensive nursing care

Spirituality and ethics in nursing care

Promoting nursing education

Models of health care delivery

Psychometrics of health questionnaires

Mental health promotion in patients and healthcare providers

Community based psychiatric health researches

Informatics in health care

Promoting health and social behavioral health sciences

- High Risk, Underserved, and Vulnerable Populations

- Palliative Care

- Patient Safety and Quality

- Prevention

- Primary and Comprehensive Care

- Symptom Science and Management

- Urban and Global Health

Honors/Awards

2023 Selecting the suggested achievements and experiences entitled "Designing and evaluating the impact of a comprehensive nursing process software on the effectiveness of the use of nursing process in patient care" among the best achievements and experiences at the first Iranian National Conference on Advanced Technologies of Medical Science Education, November 22–24, 2023, Razi International Conference Center, Sheikh Raees National Conference and Festival

2018 Ranked 1st among PhD students at Shiraz University of Medical Sciences, Shiraz, Iran

2013 The presented process, entitled "The Project of the Assessment of Professional Value Dimensions of Undergraduate Nursing Students at the End of Their Curriculum in Medical Sciences Universities of Iran", was considered as a top process in the 6th Martyr Motahari Festival in Tabriz.

2008 ranked 1st among bachelor's students at Shiraz University of Medical Sciences, Shiraz, Iran

Patent

Fahimeh Alsadat Hosseini

2016 Registered Intelligent Nursing Assistant at Registration of Real Estate, The Intelligent Nurse Assistant facilitates providing nursing care to patients by using software that was designed based on the different nursing process steps.

2009 Investigation of nursing injuries related to needlestick injury and its' prevention strategies, *First National Clinical Skills Congress: More Safety, Better Performance*, Isfahan, Iran

Research Projects

Fahimeh Alsadat Hosseini

- 2023- Present Investigating the mediating role of loneliness and social support in the relationship between perceived elder abuse and death anxiety in hospitalized elderly patients
- 2022- Present Design and effectiveness of exam stress management simulator of Objective Structured Clinical Examination (OSCE) on the level of stress and self-efficacy of students of medical sciences/ Shiraz University of Medical Sciences, Shiraz, Iran
- 2022- Present The relationship of academic satisfaction, emotional intelligence and family support with depression in nursing students, Mediation analysis using structural equation modeling approach/ Shiraz University of Medical Sciences, Shiraz, Iran
- 2021- Present Design and evaluation of the effectiveness of intelligent simulator of effective communication with the patient on self-efficacy, satisfaction and caring behavior of nursing students/ Shiraz University of Medical Sciences, Shiraz, Iran
- 2021- Present Comparison of the effects of platelet-rich plasma versus a combination of platelet-rich plasma and ozone therapy on pain, disability and quality of life in patients with knee osteoarthritis/ Shiraz University of Medical Sciences, Shiraz, Iran
- 2018 The experience of nursing students of the care of burn patients/ Shiraz University of Medical Sciences, Shiraz, Iran
- 2018 Designing the pilot form of the nursing process software and assessing the nursing students' perspectives about the software/ Tabriz University of Medical Sciences, Tabriz, Iran
- 2018 Male Nursing Students' Perception of Gender Barriers in Nursing Curricula/Tabriz University of Medical Sciences, Tabriz, Iran
- 2016 The Relationship between Nursing Educators 'Clinical behaviors with Students' Learning/ Tabriz University of Medical Sciences, Tabriz, Iran
- 2011-2012 Evaluation of preventive knowledge of complications and related behaviors among adolescents with hemophilia in Iran 2012-2011/ Tabriz University of Medical Sciences, Tabriz, Iran

Conference Participation

- 2014 International Conference on Promoting Nursing and Midwifery profession: Challenges and Solutions at Shiraz University of Medical Sciences, Shiraz, Iran
- 2011 The first international & 4th national congress on health education & promotion at Tabriz University of Medical Sciences, Tabriz, Iran

Workshops/ Training Courses

- 2017 Training Course in Preliminary questionnaire development 1 at Shiraz University of Medical Sciences, Shiraz, Iran
- 2016 The education of Basic qualitative research 1 and 2 at Shiraz University of Medical Sciences, Shiraz, Iran
- 2014 Training Course in Application of Verbal Nervous Programming in Effective Lecturing at Shiraz University of Medical Sciences, Shiraz, Iran
- ۲۰۱۳ The elementary workshop of learning electronic pole at Shiraz University of Medical Sciences, Shiraz, Iran
- 2013 Google scholar workshop at Shiraz University of Medical Sciences, Shiraz, Iran
- 2012 Training Course in Ethics in medical sciences research at Tabriz University of Medical Sciences, Tabriz, Iran

Fahimeh Alsadat Hosseini

2012 Training Course in Ethics in medical sciences research at Tabriz University of Medical Sciences, Tabriz, Iran

2011 Training Course in from design to knowledge production at Tabriz University of Medical Sciences, Tabriz, Iran

2011 Training Course in Design of triangulation studies in the field of Medical-Surgical Nursing education at Tabriz University of Medical Sciences, Tabriz, Iran

2011 Training Course in Research in clinical education strategy at Tabriz University of Medical Sciences, Tabriz, Iran

2011 Training Course in Research in clinical education strategy at Tabriz University of Medical Sciences, Tabriz, Iran

2011 Training Course in Principles of article writing in Persian language at Tabriz University of Medical Sciences, Tabriz, Iran

2009 Training Course in Educational workshop of CPR at Shiraz University of Medical Sciences, Shiraz, Iran

Teaching Experience

2020-2021 Clinical instructor for undergraduate nursing students at Fasa University of Medical Sciences
Courses Taught: Practical teaching of nursing skills and Medical Surgical internship courses
Theoretical teaching of Medical Surgical Nursing courses

2014-2018 Clinical instructor for undergraduate nursing students at Shiraz University of Medical Sciences

Course Taught: Medical-surgical internship courses (Internship wards: Skin, Burning, Surgical, Internal Medicine, Orthopedic, Nephrology, and Gastrointestinal)

2013 Theoretical instructor at Lamerd University of Medical Sciences
Course Taught: Skin and Burning course

Academic Career

2021- Present Health researcher in the community based psychiatric Care Research Center, Shiraz University of Medical Sciences, Shiraz, Iran

2021 Cooperating in holding a webinar on "international cooperation in the field of research and education" was held on Monday, July 19, 2021 by the Community Based Psychiatric Care Research Center.

2012-2018 Internship Coordinator of an emergency course for male nursing students (Emergency nursing), Shiraz University of Medical Sciences, Shiraz, Iran

2015 Collaborating on holding a mentorship workshop, Shiraz University of Medical Sciences, Shiraz, Iran

2012 Collaboration on the Health Week Schedule , Shiraz University of Medical Sciences, Shiraz, Iran

2010 member of the Executive Committee in holding a "two-day seminar on nursing challenges for children with chronic diseases, 22-23 July, Tabriz University of Medical Sciences, Tabriz, Iran
